**@taylorswift**

"The opinions of girls are more important to me at this point in my life," says **Taylor** on dressing for women instead of for men. We're crushing on your shimmery mini, TSwift! #instagood Retriever Skirt in Metallic

Coated Fabric, **Antipodium**, \$284; asos.com

## RETOUCH LIKE A TRENDSETTER

**FILTER: HUDSON**

"It depends on the photo, but I adjust everything. I like the color to be rich," says **Fashion Police** cohort **George Kotsiopoulos**.

**FILTER: VALENCIA**

"It makes everyone look like a better version of themselves," says **Erin Walsh**, stylist for **Sarah Jessica Parker** and **Kerry Washington**.

**FILTER: MAYFAIR**

"I like to add pops of color — stylists love color," says **Jenn Rogien**, costume designer for **Girls** and **Orange Is the New Black**.

**FILTER: LO-FI**

"It gives colors that extra pop of vibrance without changing them too much," says **Phillip Bloch**, who's worked with **Halle Berry** and **Charlie Sheen**.
